DETAILED ACTION

Allowable Subject Matter

1. Claims 1-21 are allowable over the prior art.

The following is an examiner's statement of reasons for allowance:

Regarding claims **1, 12 and 15**, the prior art of record, in single or in combination, do not disclose expressly assigning at least two simultaneous temporary block flows for transferring the at least two data flow; transferring the at least two associated uplink control channels relating respectively to the at least two simultaneous downlink temporary block flows on one and same uplink TDMA time slot; means for assigning at least two simultaneous temporary block flows for transferring the at least two data flow; means for transferring the at least two associated uplink control channels relating respectively to the at least two simultaneous downlink temporary block flows on one and same uplink TDMA time .

Additionally, all of the further limitations in claims **2-11, 13-14, 16-21** are allowable since the claims are dependent upon the independent claims.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
